

# Pump Me Daddy (PMD) Manifesto

## 1. The Birth of PMD

Pump Me Daddy (PMD) isn't just another meme coin-it's a movement. Built on the Solana blockchain,

PMD is designed to capture the spirit of crypto hype, meme culture, and community engagement.

We're here to embrace the chaos, fuel the pump, and make history in the meme coin space.

## 2. Our Mission: Pump It, Ride It, Own It

PMD exists to create a fun, community-driven experience where every holder has a voice. No central

authority, no gatekeepers-just pure, decentralized hype powered by the people. Whether you're a seasoned

trader or a degen just diving in, PMD is here to bring the energy.

## 4. The Power of Solana

Solana is the foundation of PMD, offering high-speed transactions, low fees, and a seamless trading

experience. No delays, no excessive costs-just pure meme action at lightning speed.

## 5. Community First Approach

PMD is powered by the people. We thrive on Twitter/X, Telegram, Discord, and beyond. Holders can participate

in viral marketing campaigns, meme competitions, and governance discussions that shape the future of PMD.
